

Safety Meeting Minutes

Attendance:

Brian Mangis, Dennis Starring, Wendy Jarchow, Robert Blom

Staff: Ryan Power

Approval of the Minutes: Wendy motioned to Approve and Robert Seconded minutes approved

Meeting started with a briefing for Dennis to understand Captain 33's role on the Safety Committee.

Covid-19 update and mask usage: Brian showed how the number of Covid related fatalities are close to equal with Cardiac related fatalities this year. Some discussion on Covid and how the department is doing when responding to calls. We are still wanting to use face masks for every call even for the non-medical calls. Please keep up the great work and keep encouraging all of us to keep using masks.

The Gross Decon and the Near Miss Safety Concern Policy will be sent out to with the agenda for next meeting to go over and look for next steps.

Brian presented the SCFD3 Safety Committee website site section to everyone to show how we are now posting meeting minutes and Safety alerts that come up. This is a great section for us to relay information to all District Members quickly.

SCBA issues was brought up and the district is still evaluating issues and educating members about the issues and how to mitigate them if they happen.

No incidents or near misses to report for the month of June.

Meeting was adjourned at 7pm
